Overview

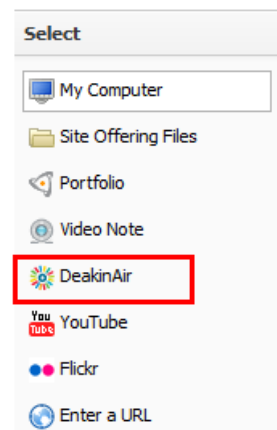

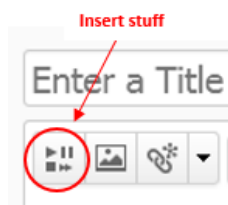

Adding video clips to a unit **page** within CloudDeakin is now quite simple with the dropdown 'DeakinAir' button.

Follow the instructions below.

1. Go to your unit site within [CloudDeakin](#). Click the relevant module in the list of resources menu.
2. Log in using your normal Deakin credentials.
3. Click the relevant module in the list of resources menu.

'Insert stuff'

1. Click on **Resources**. Click **New**.
2. Click **Create a file**.
3. After naming your file click the **Insert stuff** button.
4. Click on **DeakinAir**.
5. Items within your own DeakinAir collection will appear here. (Items can also be previewed here.)
Select the video you wish to use and click **Next** and then click **Insert**.
6. Enter a name for the file here and click **Publish**.
