Overview

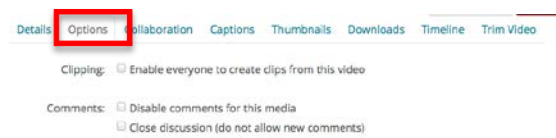

There are some additional settings you can choose to use for any clip you have in your DeakinAir space.

Using the options function in DeakinAir

1. If using DeakinAir go to **'My Media'** under your name heading, and you will see the clips list. If you are accessing your video from within CloudDeakin select **'My Tools'** from the unit site Navbar and click on 'DeakinAir'. Select 'Edit'.
2. Select the 'edit' function on the clip

3. Select 'options'

Options

- Clipping: Select this option if you want to allow others to create a subclip/s from your video
- Comments: You can choose to disable Comments for the clip you selected
- Comments: You can also stop Comments being added at a later time.
